

An invitation from the three churches

**Come and have breakfast with us on
Saturday 20th May 2017
between 8 am and 11 am in the hall
at Woodfalls Methodist Church.**

Whether you want to stay and enjoy the company or just grab a meal prepared by someone else so you can have a quicker start to your day, we will fit you in!

All we ask for in return is a donation towards this year's Christian Aid Week appeal, over and above a contribution towards the costs of the food - and we hope you will be extra nice and make this money additional to what you may have put in your Christian Aid Week envelope!

After the popularity of last year's event, we are trying hard again this year to raise more to overcome the terrible poverty that sadly exists in so many areas of our world, helping people to help themselves.

We all know just how fortunate we are in this country- please show that by coming and supporting 'Big Brekkie'!

The week we love every neighbour
