August 2018 Report

We couldn't have done it without them! Our President, Rosemary, had kindly invited W.I. Members to a strawberry tea in her garden. When the afternoon was planned back in the winter, we thought we might need gazebos to shelter from rain. In this amazing summer, of course, we needed protection from the sun.

We are so grateful to Redlynch Horticultural Society for the loan of their gazebos and most particularly for erecting them as well as those loaned by members, and for taking them down afterwards. So thank you to David, David and Michael for all their help. Thanks as well to Jim and Maurice who transported tables and chairs for us, as well as those members who helped.

The weather was perfect, sunny but not as hot as it had been, and a pleasant breeze. Bunting fluttered as guests made their way past pots of colourful flowers. On arrival, cold drinks were served. Once everyone had settled at their tables Rosemary welcomed everyone and presented those members who had August birthdays with posies. Then Committee members served a selection of sandwiches followed by a variety of cakes, scones and bowls of strawberries with meringues and cream. A very relaxed afternoon with time to chat and catch up with friends.

Our next Meeting will be held in Morgan's Vale and Woodfalls Village Hall at 2.15 pm on Wednesday 12th September, when we shall be celebrating our 102nd birthday with a talk, "The Wisdom of Pearls".

New members always welcome, enquiries to Val, 01725 510850.
