### January 2019 Report

Our President welcomed everyone to our first 2019 Meeting, especially two former members who had re-joined. We were reminded to send in our votes to help decide on this year's WI Resolutions.

A team of members then took over the Meeting.

Everyone had been asked to bring a scarf and these were demonstrated by two members of the team, tied in various styles - such as The Dorchester, The Marrakech and The Mayfair, and everyone tried to tie them in these styles - with varying success! Next followed a Quiz to identify book titles from ingenious clues.

Everyone then joined in the singing of "Dem Bones" accompanied by the piano and the team holding up placards as they were sung.

Members had brought along decorated cup-cakes and while tea was being prepared everyone voted for their favourite. The decorations were very skilful, one of Donald Trump as a boy caused much amusement; the two winners received small prizes.

Then tea, with delicious home-made cakes.

The President thanked the Team for a very enjoyable afternoon and the meeting closed.

Our next meeting will be on 13th February, when Ray Dance and Judith Sharp will entertain us with "Songs from the Shows", at MV&WVH at 2.15 pm

New members and visitors are always welcome, queries to Val on 01725 510850.
