Charity Registration No.292382

February 2019 Report

At our Meeting on the 13th February, our President, Rosemary, welcomed everyone and two visitors and presented two birthday posies. she reported that our entry in the Photographic competition had been completed and sent off for judging, but we shall not hear for several months.

An invitation had been received from National Federation and Bowling Countrywide, to encourage more members to take up Bowling, with a trial session at our local Bowling Club, Downton. 5 members were interested in taking this up.

The Committee would like to organise an outing to Bath on 17th July if enough members would like to take part. Everyone was given a list of suggested outings and half day trips to consider.

We were asked to take part in a Wiltshire Federation Challenge, which needed us to fill a large bag or pillow case with suitable items for a homeless woman, it should all be waterproof and we have 2 months to collect things.

Rosemary then introduced Ray Dance and Judith Sharp, who entertained us with their selection of "Songs from the Shows": they had wonderful voices and sang delightful and wide-ranging songs, such as "Falling in Love", "Younger than Springtime", "If I loved You", "Singing in the Rain" and "The Phantom of the Opera", and explained that they so loved singing that as well as their professional careers they sang for charity, especially small charities and those for the homeless.

Following the vote of thanks we all enjoyed tea.

Our next Meeting will be on March 13th, at MV&WVH @ 2.15 pm, when Stuart Judd will describe the making of documentaries.

Visitors and new members will be welcome., queries to Val on 01725 510850.

COMMITTEE

Patricia Cousins (President), Rosemary Pugh, (Vice-President), Valerie Reynolds (Secretary),
